Ayase has taken a live-in job at Someya-papa's law office, but Kanou is unable to bear his abstinent lifestyle any longer after the first few days.

After seeing the two off to return to their life of gentle(?) passion, Someya-papa recalls his late, dear friend, Kanou-papa. A compilation of stories about the past that has been kept secret, including complications during a drinking party from hell where Kubo gets to be all alone with Ayase!
